

ENTERS RACE FOR DISTRICT ATTORNEY

Vale Attorney to Seek Nomination Subject to Republican Primaries Has Lived in County for Five Years.

Robert D. Lytle who came to Ontario Tuesday to attend the meeting of the Republican Central committee also took occasion on his visit to announce his candidacy for the office of District Attorney. So far Mr. Lytle is the only avowed candidate.

ROBERT D. LYTLE.

for any of the offices to be filled this fall who has taken the people into his confidence regarding his aspirations.

Mr. Lytle, who is president of the Malheur Development League, has lived in the county five years, coming here from Scotch, Montana. He is not however, a native of that state for he was born and raised in the Badger state of Wisconsin, LaCrosse, being his old home town.

After graduating from the LaGrosse High School with the class of '03, he studied law in the office of Miller & Wolf. Later he went west, locating first at Dickinson, North Dakota. There he was admitted to practice before the department of the interior specializing on litigation on land matters, particularly with regard to homesteads, etc. At the same time he continued the study of law, and when he came to Vale in 1915 he studied further and was admitted to the bar of Oregon in 1916. Since then he has practiced law at Vale.

TOBACCO PLANTS FLOURISH IN ONTARIO GARDEN PATCH

D. E. Montague, who came to Ontario from the Southland, believes that Malheur county may become a tobacco region that would rival the White Burley region of Kentucky or the Perique parish in Louisiana. The reason for his belief is evidenced in the crop of joy leaves that he has cured at his home here, which were grown in his family garden on Fourth street, S. W., last summer.

Mr. Montague has a nice strong stock of the tobacco leaves that he has given to his associates at the freight station and those who have smoked the leaves are still living to tell about it. It certainly is the real thing, has lots of authority and a pipe full will do for some time. It is a real sure enough smoke, and may lead to the development of tobacco planting in this section, providing the weed does not go the way of John Barleycorn.

GOES TO SEE NEW AUTOS AND TO GET CARS FOR ONTARIANS

V. B. Staples left Sunday for Portland to attend the auto show and see about getting more cars for his institution. During the past few weeks he has received seven carloads of Ford autos, trucks and tractors, but has not been able to satisfy the demand. To care for the assembling of these cars he has had to rent the building formerly occupied by the Studebaker corporation across the street from his place of business.

SUED FOR PATRIOTIC WORK

Back in Iowa they are still having echoes of the great war. Mr. and Mrs. E. M. Howard, who are here in Ontario, visiting with Mrs. Howard's uncle, A. R. White, are aware of that fact for Mr. Howard was notified that he had been made one of the defendants in a damage suit brought by an alleged pro-German for damages he thinks he suffered when a party of patriotic citizens compelled him to retract slanderous statements he was alleged to have made concerning Red Cross workers. Mr. Howard was one of the party of men who made this man take back his words and acknowledge the supremacy of the Stars and Stripes.

Mr. Howard bought with him copies of the West Grove, Iowa, paper detailing the story of the suit and from it could easily be seen that patriotic feeling is running high there and that the men sued are not worrying concerning the outcome. Mr. Howard is not, and was only concerned lest the early trial of the case might shorten his vacation. He came to Ontario from California, where he spent the early portion of the winter. He had not seen Mr. White for more than 27 years, and they are enjoying the visit immensely.

NEXT OF KIN GIVEN FRENCH DIPLOMAS

Ontario Post No. 67 of American Legion Held Its First Memorial Services Last Sunday Afternoon.

Formal presentation of French diplomas of recognition of the nearness of kin of the men from this territory who died in the world war was made Sunday afternoon at the Methodist Episcopal church when Ontario Post No. 67 of the American Legion held its first memorial services.

The large congregation, which occupied all of the seats in the church but the two front rows, stood and sang "The Star Spangled Banner" as about 40 or 45 members of the local Post marched into the edifice and took their places. After the invocation had been pronounced by Rev. W. E. Cochran of the Presbyterian church, and the singing of a solo, "A Dream of Paradise," by Mr. Paul Seligman, President Elmer Leavitt of the Ontario Post, made a few brief remarks, thanking the large audience for their attendance and interest. He then introduced Evangelist Ollie B. Ragan, a former army chaplain during the war, as the speaker of the day and the man selected to confer the diplomas.

The evangelist took as his

theme "A Nation's Heritage," from Exodus 6:8. It was his belief that inasmuch as every member of the vast American army in France was filled with the loftiest ideas of justice and right, the principles of Democracy, that the future history written of the work performed by the American Legion in bringing order out of present day conditions throughout the nation would go down through the ages. His tribute to those who had fallen on the battlefield was inspiring. The four memorial diplomas presented by Rev. Ragan were to Mrs. Florence Johnson, Mrs. Ida Linzy, P. M. Dugger and Mrs. Verna Boswelland.

Mr. Ragan was followed by Rev. William Brown, a national Sunday school leader in the inter-church movement, who has been in this section for the past few days. Mr. Brown was also an army chaplain during the war, but his work was confined on this side in American camps. So live that you will leave the world better, was the gist of his remarks.

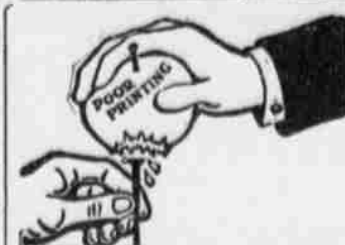

Standing, the entire assemblage sang "America," after which Rev. Brown pronounced the benediction.
